

## SAFFRON (ORGANIC ALSO) TECHNICAL DATA SHEET

*“The best Spanish saffron,  
our red gold,  
selected exclusively for  
all those who are able  
to appreciate that:  
simply the best saffron  
in the world.”*

**FOR SURE...**

For discerning palates worldwide. We select for you the best saffron in our country, with La Mancha Designation of Origin, so you can enjoy it with full warranty, and of course, at the best price, what makes us able to boast of being the best in the world. Our saffron is 100% Spanish, just organic saffron, unadulterated, handpicked, toasted and then packed. Maximum care of every single detail (cultivation, harvesting, irrigation, roasting and handling); thanks to that we get this unbeatable quality. Beware of existing fraud in this product so you pay only for what you want to buy, only real saffron. Used in cooking and medicine, is the most expensive spice in the world. Enjoy it!.
